

## Additional program after the conference

<b>Period</b>	<b>So 5-7 May 2019</b>
<b>Number of persons</b>	<b>10-15 persons</b>

Immediately after the conference in Zurich, the Feuervogel Genossenschaft für Naturpädagogik is offering an additional programme. The content is additional deepening in the exchange with nature educational institutions and adult education according to the basics of nature education. The guided programme is run by the Feuervogel Genossenschaft. For the overnight stays we suggest the extension in the youth hostel.

### Program

The in-depth discussions and exchanges are intended to complement the programme of the conference "Natural Children Worldwide Hand in Hand". During the programme, the interactive dialogue will be supported by the group.
